b.mutabazi@alustudent.com

**Phone:** +250 791825140

➤ **Objective**

Aspiring Software Engineer and versatile tech enthusiast with a strong background in software development, web design, graphic design, video editing, and 3D animation. With a passion for gaming, technology, and creativity, I aim to leverage my diverse skills to contribute to innovative projects. I am currently studying at the African Leadership University and seeking opportunities in software engineering and freelance work.

➤ **Education**

- ❖ African Leadership University – Kigali, Rwanda  
Bachelor of Science in Software Engineering  
2023 – Present
- ❖ Glory Academy – Kigali, Rwanda  
Software Development  
High School Diploma  
2017 – 2022

➤ **Work Experience**

- ❖ Gevid Company – Kigali, Rwanda  
Database Administrator  
2023

Managed and maintained company databases, ensuring optimal performance and security.

Worked closely with developers and IT teams to support data management needs.

Regularly performed database backups and troubleshooting tasks.

- ❖ Freelancer – Computer & Technology  
2022 – Present

Provide web development, graphic design, video editing, and 3D animation services to clients.

Worked on various projects related to website design, branding, and multimedia content. Expertise in adapting to different client needs and delivering quality work in a timely manner.
